

Smart, simple identity and fraud protection all in one place.

Congratulations on taking the first step
in keeping your identity & finances
secure.

Now that you have enrolled in MetLife and Aura Identity & Fraud Protection, credit monitoring, dark web monitoring, public records monitoring, and other protections have begun working on your behalf.

To get the most out of the benefit, set up your personalized account by going to **my.aura.com/start**.

Account setup is easy as 1-2-3

- 1 Create your user ID and password by going to my.aura.com/start.
- 2 Activate and utilize additional features, view alerts & set your contact preferences, add members to a family plan, and more.
- 3 Download the Aura app for convenient access to your features from anywhere.

The more personal and financial information you add for monitoring, the stronger your protection.

No one can prevent all identity theft or monitor all transactions effectively.
