The information provided is an estimate and does not guarantee the exact fees for dental procedures or your out-of-pocket costs. Estimates should not be construed as financial or medical advice. For more detailed information on your dental care costs, please consult your dentist.

"Typical submitted fees" refers to an average for fees in the area and does not represent the dentist's actual fees. The estimate for your out-of-pocket costs is based on our records and claims processed as of today. Your actual out-of-pocket cost will depend on your benefits on the date of service. This is neither an authorization nor a guarantee of eligibility or payment.
